Tuesday, Dec. 31, 1811 (pg. 161)

Earthquakes - 2 shocks last night - so quakes off the year 1811

Friday, Feb. 07, 1812 (pg. 164)

Earthquakes - A tremendous at 3 A.M. - there has been 2 previous on the 4th & 5th but not so great as this morning.

Earth trembling - after the great shock as if the chimneys might - another occurred $\frac{1}{2}$ past 7 Another on the 8th. Another on the 10th. Another on the 11th & 17 & 18 & 23 & 24 & 25 & 26 & 28th. The like never known here before. It seems as tho our little hall might be shaken to pieces quite easily,
